

CS_GREFFE_OS_COMPLETE_PROJECT_TREE_V1

Objet

Ce document constitue la référence officielle de l'arborescence de **CS GREFFE OS V1**.

Il sert de :

- cartographie du projet ;
- guide de matérialisation ;
- référence pour Codex, Claude Code et les développements futurs ;
- support de gouvernance du dépôt.

Principe directeur

La structure doit rester plus stable que les conversations.

Les artefacts doivent survivre aux sessions.

Les corpus doivent survivre aux artefacts.

La confiance ne doit jamais progresser plus vite que l'usage.

Arborescence complète
